

AT YOUR SERVICE...  
EXCELLENCE AS STANDARD

## Event Staff

---

At ACC Liverpool, we believe that you never get a second chance to make a first impression. Event staff are a vital element of a successful event but can often be the last thing to be considered.

We can manage this aspect of your event on your behalf to ensure the welcome and registration process for delegates is aligned to your event objectives and representative of your brand values.

We provide event staff for the following services:

- Registration
- Welcome hosts / hostesses
- Promotional staff to promote your product and brand
- Costume Characters to promote brand awareness

Event staff at ACC Liverpool are fully trained, professional and well-presented and briefed to ensure that your event is remembered for top class service.

We will meet with you and discuss your requirements to provide the right staff with the right look for the brand and event they are representing.

For innovative event staff solutions the ACC Liverpool Guest Relations team are at your service.

A photograph of a table setting for an event, featuring two wine glasses, a stack of white plates, and a silver cable with a connector, all set against a light background.
